Israel Says U.S. Photos Confirm Movement of Egypt Artillery

TEL AVIV, Israel —(AP)— American satellite photographs confirm Israel's charges that Egypt has moved artillery east of the Suez Canal in violation of the Israeli-Egyptian disengagement agreement, Israeli press reports said today.

The reports said Secretary of State Kissinger, who negotiated the agreement in January, appealed to the Egyptians to withdraw the guns but by late Sunday they were still on the east side of the waterway.

The pact allows Egypt and Israel 36 artillery pieces each in narrow zones flanking the buffer area policed by the

United Nations Emergency Force. The Israeli chief of staff Lt. Gen. David Elazar, complained Thursday to the UN commander, Gen. Ensio Siilasvuo of Finland, that the
